

Stiles Thinks Green.

Series 400 Medium Stile Commercial Steel Entrance Door

Applications

The 400 Series Medium Stile Commercial Steel Entrance Door is engineered for high traffic applications such as retail stores, airports, and office buildings. The lineage allows for high performance and aesthetics that meet virtually all construction requirements.

Sizes

Available in widths up to 48" and heights to 10'. Standard door thickness is 1-3/4". Vertical stiles and top rails measure 4" and bottom rails measure 8" (sizes not including 5/8" glass stops). Optional bottom rail sizes include 10" and 12" heights.

Materials

Doors are available in A60 Galvanized Steel. Stainless Steel and Bronze also available.

Configurations

Doors are available in singles and pairs, single or double-acting. Functions include swinging, folding, sliding, and stacking. Doors integrate into StileLine™ storefront systems, or act as stand-alone entrances.

Glass

Single-Glazed 1/4" or up to 1" Insulated Glass Units. Multiple moulding options are available to create varying styles and accommodate specific glass types.

Hardware

Hinge options include butt hinges, continuous geared hinges, or pivots (center or offset). Pulls and push bars are available, as are exit devices including mid-panel, rim type, and concealed vertical rod. Narrow backset locks and deadbolts are available, as are a variety of levers. Air-Tek™ weather-seals on verticals and top are standard. Bottom rails may include concealed gaskets to integrate with specific threshold systems.

Finishes

Factory primer, Finish Paint, and Powder Coating are available in both standard and custom colors.

Hybrid Options

Doors are available with integrated options such as bullet + blast resistant, sound control, fire rated, thermal-break, and insulated.
